## Personal information

DATE OF BIRTH: 7th May, 1973

CITIZENSHIP: Uruguayan

MARITAL STATUS: Married. Three children.

🏠 [www.leandro-zipitria.com](http://www.leandro-zipitria.com)

## Key Qualification

---

Leandro holds a Ph.D. in Economics from the University of San Andrés (Argentina), and is professor of Industrial Organization, Microeconomics and Economic Regulation. His research has been published in several peer reviewed journals.

He has over fifteen years of consulting experience in regulation and antitrust. He was adviser to the Ministry of Economy and Finance of Uruguay (antitrust, bankruptcy law), the Office of Planning and Budget (economic impact assessment of regulations) and the Energy regulator URSEA. He is consultant for the WorldBank, and has been consultant for the IADB, PAHO, CAF, and the ECLAC (CEPAL). He has also advise several firms in Uruguay on market analysis, competition, the assessment of policy impact on markets, and pricing policies.

With Daniel Czarniewicz he is the founder of the website unaimagen.uy which aims to share statistical information from Uruguay in a visual way.

**His main skills are:** research expertise in handling large databases and performing econometric analysis; writing technical reports in plain language; fluent in English.

**Main fields of research:** international economics (Law of One Price); industrial organization (price setting and pass-through); inflation.
