

Leandro Zipitria

Welcome to my website.

I am Economist. My fields of specialization are Industrial Organization, Regulation, and Antitrust. I have a PhD in Economics by the Universidad de San Andrés, Argentina.

I am mainly at dECON at the Universidad de la República.

I had a side project with Daniel Czarniewicz with the aim of visualizing data from Uruguay called unaimagen, because “an image worth a thousand words”.

My full CV is available in English and Spanish.
